

Quick Connect Dishwasher Kit

BrassCraft's new dishwasher Quick Connect Kit provides SureConnect® connection technology with a Speedi Plumb® PLUS patented flexible polymer braid connector.

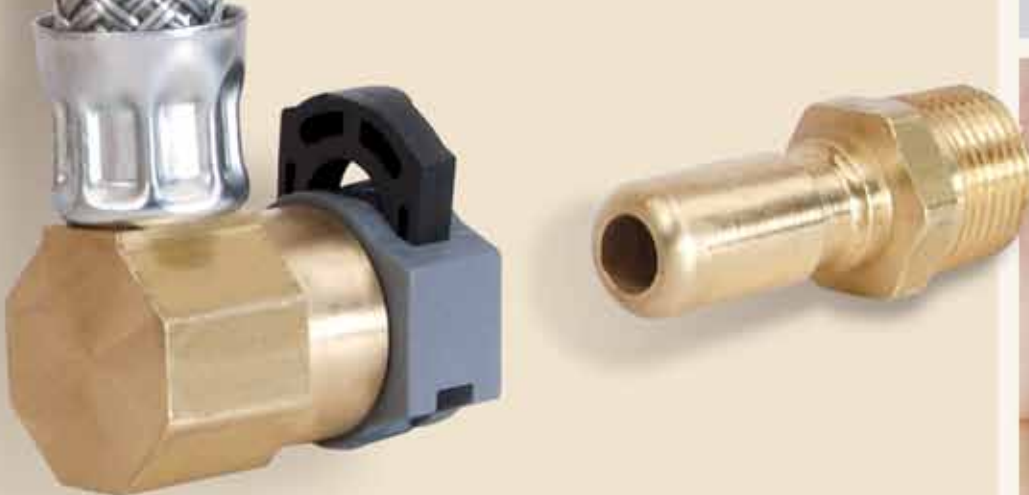

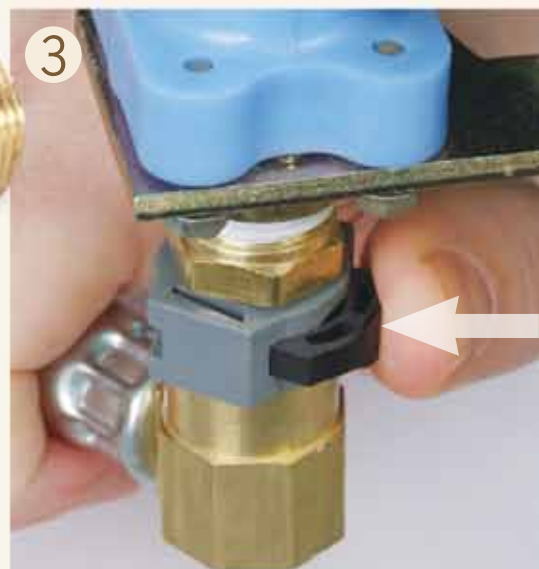

Easy. It couldn't be simpler for installers. A unique lockable housing lets plumbers see, feel and hear the connection as it's installed. No tools are required to install the connector to the dishwasher fitting.

Quick. Our new SureConnect system was designed to make short work of dishwasher connections, cutting installation time and effort.

Secure. Push and lock, then walk away with confidence. The SureConnect housing features dual o-rings of Viton®* and nitrile that provide a double seal to help assure a leak-free connection.

3 Easy Steps to Install

1. Install dishwasher fitting
2. Slide SureConnect elbow over dishwasher fitting
3. Click to secure!

Quick Connect Dishwasher Kit

Features/Benefits

- Ease of Installation
- Makes connector easy to attach & detach in tight quarters
- Connection Verifications: Audible, Tactile & Visual
- All SureConnect® Quick Connect kits are leak tested at the factory
- Speedi Plumb® PLUS patented braided hose won't corrode and provides superior flexibility and kink resistance
